Government Order No. J. 1484-5—Regis. 24-17-3, dated the 30th October 1917, sanctioning the opening of a Special Sub-Registry Office at Harihar.

2. Letter No. C. R. 27, dated the 4th February 1930, from the* Inspector-General of Registration in Mysore recommending, for reasons stated, the abolition of the Special Sub-Registry Office at Harihar and the conversion of the *ex-officio* office at Holalkere into a special office.

(*Printed as annexure.)

ORDER NO. FL. 5580-3—REGIS. 26-29-2, DATED 19—20TH FEBRUARY 1930.

The proposals of the Inspector-General of Registration are sanctioned.

Financial Department.

Letter No. C. R. 27—28-29, dated the 4th February 1930, from the Inspector-General of Registration in Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Finance Department, Bangalore.

I have the honour to state that the Special Sub-Registry Office at Harihar registers on an average only 900 documents with an income of Rs. 2,000 which works out at not more than 3 documents a day. Thus there is not sufficient work for a whole-time Sub-Registrar. This special office was opened in 1918 because the Deputy Amildar of the Sub-Taluk who had multifarious duties could not conveniently attend to the registration work. When the question of abolishing the lightly worked Sub-Registry Offices was taken up in 1924, the abolition of this Office was not considered for the above reason.

2. The District Registrar now reports that the Sub-Taluk consists of only two hoblis, that besides Railway communication between Harihar and Davangere, a number of buses are running between Harihar and Malebennur and Davangere so that the people of both the Hoblis can easily go to Davangere to get their documents registered and therefore recommends that the Registration jurisdiction of the Harihar Sub-Taluk may be added on to Davangere Sub-Registry Office. He also recommends that the special office at the former place may be transferred to Holalkere which is a pukka Taluk, where the registration work being heavy, cannot be satisfactorily attended to by the Taluk Sheristedar.

3. During my tour in the Chitaldrug District in November last, I visited all these 3 places and examined the question carefully and I agree with the Deputy Commissioner's recommendations. The distance from Harihar to Davangere is only 8 miles. The Sub-Taluk consists of only 87 villages. By adding these to the jurisdiction of the Davangere Sub-Registry Office, there will neither be any inconvenience to the people of the Sub-Taluk nor will the work at Davangere become unwieldy as only 2,000 documents are being registered at Davangere yearly. On the other hand, Holalkere *ex-officio* Office regis ers about 1,000 documents with an income of about Rs. 2,600. There is only one clerk and the work is too heavy for him. The Taluk Sheristedar cannot spare sufficient time for this heavy registration work, and a wholetime Sub-Registrar is urgently required there, both in the interests of work and the convenience of the public. The necessity of opening a special office at Holalkere was reported in 1923. But for want of funds, it was not again taken up. If the Harihar office is transferred to Holalkere, there will be no additional expenditure.

4. The establishment of the Harihar Sub-Registry Office consists of 1 Sub Registrar on Rs. 50—5—100, 1 clerk on Rs. 20—1—25, 1 attender on Rs. 15 and 2 menials, one on Rs. 10 and another on Rs. 9. At Holalkere, the Taluk Sheristedar is paid an allowance of Rs. 10 and there is a clerk on Rs. 20—1—25. One of the two clerks on Rs. 20—1—25 may be transferred to Davangere on account of the increase of work there, and the remaining entire establishment may be transferred to Holalkere. By this arrangement the allowance of Rs. 120 now paid to the Taluk Sheristedar at Holalkere will be saved. I therefore recommend that the proposal may be sanctioned with effect from the 1st April 1930.

Letter No. C. R. 159—29-30, dated the 30th—31st January 1930, from the Inspector-General of Registration in Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department, Bangalore.

In continuation of my letter No. C. R. 68—28-29, dated the 23rd December 1928, in the matter of affording relief to the heavily worked Sub-Registry Offices in the State, I have the honour to state that relief has been given to the Sub-Registry offices of Mandya, Malvalli, T.-Narsipur and Nanjangud by opening two new offices at Maddur and Bannur *vide* Government Order No. Fl. 611-15—Regis. 1-28-2, dated the 3rd July 1928, and No. Fl. 50773-6—Regis. 15-28-2, dated the 29th—30th January 1929. Another important office in which removal of congestion of work is urgently called for is the one at Chamarajnagar which registers the highest number of documents in the State, *viz.*, about 7000 in a year.
